Our service in Northern Israel begins:

We are privileged to perform our service under the direction of Eitan Oren, a 40-year Kibbutz Malkiya resident and agriculture leader, as well as a tour guide. Eitan has been featured globally on news stations such as BBC and CBN for his leadership in keeping Malkiya's fields alive following the October 7 massacre. When residents of northern Israel had to evacuate the area for over a year, Eitan remained to fight for Malkiya. Eitan Oren represents the unbroken spirit of Israel's northern pioneers. Working alongside him next to the Lebanon border offers an unforgettable opportunity to labor under a true frontline protector and hear his powerful firsthand stories.
